Schedule 26

# Sri Prem Baba

## ACADEMY

In a time of profound transitions, in which old reference points are dissolving and new forces are beginning to manifest, we are invited to develop inner stability in order to cross this new cycle of humanity. It is within this context that we continue together, deepening our studies and

practices at the Sri Prem Baba Academy. In 2026, we will walk an initiatory journey under the theme Walking Through Fire Without Getting Burned – an invitation to strengthen the heart, anchor consciousness, and learn how to remain whole amid the transformations of the age of Artificial Intelligence.
